The Latest and Most Improved Discovery of the J. H. WAGGENER & CO. Minoteenth Century.

No man's name is more intimately connected with the history of Materia Medica in the United States or more favorably known as a pioneer in medical discovery than that of Dr. John Bush, of Louisvilla, Kr. His minitor more favorably known as a pioneer in medical discovery than that of Dr. John Bull. of Louisville, Ky. His inimitable preparation of SARSAPARILLA has hing stood at the heat of the various compounds of that variable drug.

His Compound or Wilp Unfair has beened a household word throughout the West and outh.

His Word Lozzinges, in less than a year after their introduction, a themed a reputation as wine gursed as the continuant of North America. But the crowning glory of his life remains to be utilized in his Larsey decayer, or author combination, for he does not claim to be the discovery of CED-RON, which is the busin of the ETTERIS now effected to the cubile. That honor belongs to the native inhabituates of CEN-TRAL AMERICA to whom its critical shabituates of CEN-TRAL and headed years Armed with it the Indian bids hertance to the most ventaines serpeats. It is a belief with them that as long as there is because in the body the CEDRON is potent to curre, as matter what the discovery examination of the evidence relating to its virtues, that as a remedy and preventive for all discovers arising from exposure, either to changes of weather and elimate or to the mismatic infinence, it STANIS WITHOUT A RIVAL, and justly deserves the remarkation it has as long enjoyed in Central America and the West Indies.

IN DYSPEPSIA and its attendant train of symptoms, it acts more like a charm them a medicine. There is nothing in the range of Materia Medica that can for a moment bear a
